KATIE TAYLOR BURSARY FOR THIRD LEVEL EDUCATION 2022

BURSARY GUIDELINES

To build on its role in promoting social inclusion, Wicklow County Council has established an Educational Bursary for undergraduate degree courses. This Bursary provides an opportunity to study at third level to persons who may not be in a position to undertake a course of study, because of economic, social or other disadvantage.

The Katie Taylor Bursary is a Sports Scholarship intended for persons who have excelled at and displayed potential and dedication to their chosen sport.

DETAILS OF BURSARY

One bursary of €1,500 will be awarded to the successful applicant for each academic year. The Bursary will be awarded for a period of 3 years (or for 4 years with the approval of the Council), provided always that funding is available. A student who receives a Bursary and then has to repeat a year will not receive the Bursary for that repeat year. Furthermore, it will be at the discretion of Wicklow County Council whether such a student will receive the Bursary for the subsequent years of their degree course. Bursaries cannot be deferred. Continuation of the Bursary will be subject to certification of the candidate's satisfactory performance, including attendance and results for each academic year.
